# Gifting an Audiobook From Your Library: Step-by-Step Process

Many subscribers wonder if they can gift an audiobook directly from their own library, especially if they own multiple titles. Here's an in-depth look at how this is achieved and what options are available.

## 1. Accessing Your Library

- Log into your Audible account: Use either the Audible website or mobile app.
- Navigate to 'Library': Locate your collection where all purchased audiobooks are stored.
- Identify the title to gift: Not all titles in your library are available for gifting; typically, you can gift titles that are your owned titles or those you wish to purchase specifically for gifting.

## 2. Initiating the Gifting Process

- Select the audiobook: Click on the title you wish to gift.
- Look for the 'Give as a gift' option: This is usually found in the dropdown menu or under the 'More options' button.

Note: If the title is part of a subscription credit, you may need to purchase it first as a gift or buy it separately to send as a gift.

- Choose 'Gift this title': Proceed to the gifting interface.

## Can You Gift an Audiobook From Your Personal Library?

This is a common question among Audible users. The answer is nuanced:

### Direct Gifting of Owned Titles

- Limited to purchased titles: Audible does not typically allow users to gift titles that are already in their library unless they are purchased with the explicit intention of gifting.
- Gifting from the library: If the title was bought directly without a gift option, you generally need to purchase it again as a gift to send it to someone else.

### Workaround Options

- Share via 'Send this to a friend' feature: Audible has a 'Send this' feature for some titles, allowing users to share a preview or a link, but this is not the same as gifting ownership.
- Purchase a gift copy: The most straightforward method is to buy the audiobook again as a gift, even if you already own it.

### Implication for Subscribers

While you cannot directly convert a book from your library into a gift, the process is straightforward:

- Search for the desired audiobook in the Audible catalog.
- Purchase it as a gift (using the gift option).
- Send it to the recipient with a personalized message.

---

## Gifting Options Beyond Audiobooks

Audible provides several gifting options, catering to different preferences:

### 1. Gift Memberships

- Audible Gift Membership: A subscription gift that grants the recipient a set number of audiobooks per month or a fixed amount of credits.
- Ideal for: Users who want to give ongoing access rather than a single title.
- How to gift: Select the gift membership option on the Audible website, choose the membership plan, and proceed with the purchase.

### 2. Physical Gift Cards

- Physical cards: Sent via mail with a code that can be redeemed on Audible.
- Customization: Personal messages and design options are available.
- Use case: Suitable for special occasions like birthdays or holidays.

### 3. Single Audiobook Gifts

- One-time gifts: A specific audiobook that can be sent as an email gift.
- Flexibility: Recipients can listen on any device compatible with Audible.
