PLEASE READ!!!!!!!!!!!!!!!!!!!!!! Who Is Just Tired Of Social Media? I Am. It's So Offensive That The Social landscape has become a battleground of opinions, misinformation, toxicity, and relentless noise. For many, social media once served as a platform for connection, inspiration, and community. Today, however, it often feels overwhelming, offensive, and draining. This article explores why so many are feeling exhausted and disillusioned with social media, what makes it offensive, and how we might reclaim its use for positivity and genuine connection.

Understanding the Exhaustion: Why Are People Tired of Social Media?
